"is it time
for baby?"

"are we
ready?"

Let's face it, it's never easy or cheap to raise a child; but with planning, you can...and still have enough for retirement.

Get financial tips from Paul See, Principal Consultant, Priority Wealth Pte Ltd on "Financial Freedom with Children":

- Working out a baby budget
- Knowing the costs in raising a child
- Available financial support and tax benefits
- Adjusting spending habits to cope with the added expenses
- Planning for your child's future and education, while saving for retirement

To register, e-mail to jj@fullhouse.com.sg or call [JJ@6842-7266](tel:6842-7266) before 20 Sept.
